Should errors be found, immediately contact the ASSIST-CARD office of the country where the Card was issued in order to have them corrected. The local office telephone number can be found in the "TELEPHONE LIST".
- Remove from the document-holder the ID Card and the extendable Telephone List and place them in a readily available place (i.e. your wallet).
- Attach the Luggage Tags to your luggage.
- Affix the ASSIST-CARD stickers to the back cover of your passport as well as on the cover of your flight tickets coupons. This will expedite recovery in case of loss.
- Carefully read the Instructions for the Proper Use and the General Conditions of the ASSIST-CARD Services and verify that the voucher and the ID card indicate the characteristics of the product purchased.

A.1.3 TRIP CANCELLATION

If this is not possible then please pay for the phone call and submit the receipt for reimbursement once you return to your country of origin.
- In the event that there is no ASSIST-CARD Alarm Center in the country you are visiting, contact the corresponding Regional Alarm Center as per the ASSIST-CARD Telephone List.
- In order that the cost of the Collect Call is charged to ASSIST-CARD, it is imperative that you inform the hotel/company operator that you want to place such a call.

A.2.3 THE HEALTH PROBLEMS IS SERIOUS, THE NEED FOR ASSISTANCE IS URGENT AND YOU ARE UNABLE TO REQUEST THE SERVICE TO OUR ALARM CENTERS

- In this case, it is essential that you be immediately assisted where you are and by the professionals and/or medical establishments that can take best care of you.

- Thus, after your or your accompanying person's contact, our Alarm Center will be able to immediately contact the medical facility where you are and monitor all phases of the assistance. Carefully follow these instructions since the fact that ASSIST-CARD takes upon the involved expenses will depend on the compliance of this procedure, as described in Clause C.7.2 of the General Conditions of the ASSIST-CARD services.
- In case you are unable to get in contact with ASSIST-CARD within the 24 hours following your medical admission and not having any accompanying person who may do it, you should contact ASSIST-CARD within the 24 hours after your medical discharge, according to Clause C.7 of the General Conditions of the ASSIST-CARD services.

C.1.2 It is expressly established, and the Card Holder expressly accepts, that the ASSIST-CARD services are not medical insurance nor an extension of or substitute to any social security, prepaid medicine program or labor accident risk insurance company. The ASSIST-CARD services are exclusively directed towards providing assistance during a trip abroad for sudden and unpredictable events that prevent the normal continuation of a trip.

C.1.3 The present General Conditions of the ASSIST-CARD Services govern the provision by ASSIST-CARD of the assistance services hereby detailed, during a trip abroad made by the Holder of an ASSIST-CARD card.

C.1.4 In order to utilize any of the ASSIST-CARD services, **THE CARD HOLDER MUST HAVE CHOSEN** the product of his/her preference, and read and accepted its terms and conditions applicable to it and described in these General Conditions of the ASSIST-CARD Services.

In order to receive the assistance services herein described, the Card Holder must submit the ASSIST-CARD voucher and/or card and personal documentation which demonstrates his/her identity and travel dates.**

C.1.6 The purchase by one cardholder of one or more ASSIST-CARD cards will not automatically accumulate the services and/or benefits they include. In such a case the limits established in the one that results more beneficial for the consumer will apply.

C.1.7 The ASSIST-CARD card and services thereof derived will not be valid whatsoever within the country of actual and/or usual residence of the Holder, and/or in the country where the product was issued and/or in the country where the Card Holder is at the time the Card is issued. This condition will not apply for ASSIST-CARD cards expressly valid within the same country of issuance.

C.1.8 Requests for cancellation and/or modification of the ASSIST-CARD's validity dates may only be made no less than 2 (two) working days prior to the start of validity date.

C.4.1 MEDICAL ASSISTANCE

ASSIST-CARD puts at the Card Holder's disposal its Alarm Centers worldwide network. Card Holders must telephone an ASSIST-CARD Center in case of any illness, accident or emergency for which he/she needs assistance. ASSIST-CARD will provide the Card Holder the conditions for his/her convenient attention, either by sending the professional in each case or authorizing the attention in any of the medical facilities or hospitals available in the area where the event for which the assistance is requested occurred. The Card Holder is obliged to inform ASSIST-CARD as many times as assistances he/she requires. As from the first assistance or service provided, the Card Holder must always contact ASSIST-CARD in order to obtain the authorization for new assistances or services originated in the same cause as the first event.

If at the time of the assistance requested to the ASSIST-CARD Center, a professional belonging to the ASSIST-CARD assistance network is not immediately available in the location where the event occurred, the Card Holder may, prior authorization from ASSIST-CARD, use all the medical services that might be necessary. Under these circumstances ASSIST-CARD will be in charge of the cost of all the services rendered to the Card Holder by other professionals or sanitary institutions provided that they are not excluded in the present General Conditions, paying directly to the service lenders (when this is possible) or reimbursing to the Card Holder only the expenses incurred in the emergency, as of Clause C.4.1.12 of the present General Conditions of ASSIST-CARD Services

IMPORTANT: The medical assistance services to be rendered by ASSIST-CARD are limited to the emergency treatment of acute episodes and are oriented to assisting the Card Holder while traveling abroad for sudden and unforeseeable events whereby a clear, acute and verifiable disease has been diagnosed and which prevents the normal continuation of the trip. For this same reason they are neither designed nor contracted or rendered for elective medical procedures or to advance treatments or long-term procedures but to provide for the initial recovery and for the physical conditions that will allow the normal continuation of the trip.

THE AFOREMENTIONED MEDICAL ASSISTANCE SERVICES INCLUDE:

C.4.1.1 Doctor Consultations

Medical Assistance will be provided in case of an accident or "acute and unexpected illness". Whenever a sudden illness or injury occurs that prevents the normal continuation of the Card Holder's trip, he/she is entitled to use for free the services of the professionals and/or medical facilities that for that purpose are indicated and/or authorized by ASSIST-CARD.

Benign diseases and minor wounds, which do not prevent the normal continuation of the trip, will not give reason for this assistance although the Card Holder may request the reimbursement of expenses incurred for this reason, if these expenses are in accordance to the present Instructions for the proper use of the ASSIST-CARD services and the General Conditions of the ASSIST-CARD services.

The medical assistance services to be rendered by ASSIST-CARD are limited to the emergency treatment of acute symptoms that prevent the continuation of the trip. Unless explicitly described within the characteristics of the ASSIST-CARD product purchased, all chronic or pre-existing or congenital or recurrent conditions, known or unknown to the Card Holder, are expressly excluded as well as its consequences and/or complications even if these consequences and/or complications appear for the first time during the trip.

It is explicitly established that such consultation will simply be informative but not involved in the medical treatment to be rendered, which will be at the discretion of the intervening medical lender

C.4.1.3 Complementary medical examinations

Complementary medical examinations will be performed when prescribed by the medical emergency team and authorized by the corresponding ASSIST-CARD Alarm Center.

C.4.1.4 Physical recovery therapy in case of trauma

Whenever the ASSIST-CARD Medical Department so authorizes and when prescribed the treating physician, ASSIST-CARD will pay for up to 10 (ten) sessions of physiotherapy, kinesiotherapy, etc.

C.4.1.5 Medications

ASSIST-CARD will pay for the cost of medications prescribed by its medical team for the affection that gave rise to the Card Holder's assistance, during the time of validity of the Card and up to the limits indicated in his/her voucher, according if it is a question of:

C.4.1.5.1 Ambulatory assistances

C.4.1.5.2 Assistances during the Card Holder's hospitalization: When his/her voucher does not indicate a specific limit for this item. ASSIST-CARD will only assume up to the amount established in item C.4.1.5.1, no

matter if the service is provided while the Card Holder is hospitalized or not.

C.4.1.6 Emergency Dentistry

ASSIST-CARD will pay the expenses for emergency dental services in case of infection or trauma. Dental assistance will be only limited to the treatment of pain and/or to tooth extraction and shall not exceed U\$S 150.00 (one hundred and fifty American dollars) per dental piece, even when the limit established within your voucher is higher.

PLEASE VERIFY IN YOUR VOUCHER THE CHARACTERISTICS AND THE FINANCIAL RESPONSIBILITY ASSUMED BY ASSIST-CARD IN THIS REGARD AND APPLICABLE TO THE PRODUCT YOU HAVE PURCHASED.

C.4.1.7 Hospitalizations

Whenever the ASSIST-CARD medical team so prescribes, the Card Holder will be hospitalized at the nearest and more adequate (according to ASSIST-CARD's Medical Department exclusive judgment) Medical Center. Such hospitalization will be born by ASSIST-CARD for the entire validity period of the Card plus 7 (seven) complementary days that begin to be counted from the last day of the ASSIST-CARD validity. Complementary days comprise only and exclusively hospital accommodation expenses and as long as the "Maximum Global Amount" indicated in your voucher has not been reached (except the exceptions expressed in Clause A.2.3).

C.4.1.8 Surgery

Surgeries will be performed to the Card Holder in cases of emergency that urgently require such a procedure and exclusively after authorization of the ASSIST-CARD Medical Department and the corresponding ASSIST-CARD Alarm Center.

IT IS ESSENTIAL THAT YOU REVIEW WITHIN YOUR VOUCHER THE "MAXIMUM FINANCIAL AND PER AGE LIMITS" APPLICABLE TO THE ASSIST-CARD PRODUCT YOU HAVE PURCHASED.

C.4.1.9 Intensive care and coronary unit

When the nature of the illness or injuries of the Card Holder so require, intensive care and coronary unit treatments will be performed. In all such cases and as an essential requirement for ASSIST-CARD to take upon the payment of these expenses, these treatments must have been authorized by ASSIST-CARD's Medical Department (except the exceptions expressed in Clause A.2.3).

C.4.1.10 Limit for Medical Expenses: Maximum Global Amount

IMPORTANT: THE TOTAL AMOUNT OF EXPENSES INCURRED FOR ALL MEDICAL SERVICES DESCRIBED IN CLAUSE C.4. SHALL NOT EXCEED THE "MAXIMUM GLOBAL AMOUNT" INDICATED IN YOUR VOUCHER.

For all purposes, it is hereby established that for those products where the Maximum Global Amount is set up in more than one currency and differ from each other, the mentioned Amounts will not be complementary between them, and therefore the sums computed as expenses for assistances provided for any of said Amounts will be deductible between them.

Within your voucher you will find the amount for every Maximum Global Amount applicable for:

and only to the top indicated in the voucher for such concept.

C.4.1.10.4 Medical Assistance within the country in which the Card was issued (This amount will apply to assistances arising from both illnesses and/or accidents and only in the events that the ASSIST-CARD product purchased includes this benefit).

C.4.1.10.5 Maximum Global Amount in case of multiple events.

IT IS ESSENTIAL THAT YOU REVIEW WITHIN YOUR VOUCHER THE "MAXIMUM FINANCIAL AND PER AGE LIMITS" APPLICABLE TO THE ASSIST-CARD PRODUCT YOU HAVE PURCHASED.
